A **Weekly Blurb** to highlight the activities, achievements, and action plans of Ghazi University Faculty & Staff.

### **Assumption of charge of the post of the Vice Chancellor by the Committee of two senior most Professors of the Ghazi University.**

In compliance to a notification issued by Government of the Punjab, Higher Education Department, Professor Dr. Shafqat Nawaz and Prof. Dr. Muhammad Iqbal assumed the charge of the post of Vice Chancellor of Ghazi University w.e.f. 20-05-2016. Prof. Dr. Shafqat Nawaz is Dean, Faculty of Agricultural Sciences and Prof. Dr. Muhammad Iqbal is Professor of Agri. Engineering and Technology / Project Director of the Ghazi University.

### **Meeting of Vice Chancellor Committee with all Deans, Directors, and Principal Officers**

On 23-05-2016 a meeting of Vice Chancellor Committee with all Deans, Directors and Principal Officers of the University was held in the office of the Vice Chancellor. The meeting started in the name of Allah. Dr. Muhammad Iqbal briefed about the new administrative change and he also regretted about the circumstances leading to notification regarding the stop working of regular Vice Chancellor, Prof. Dr. Muhammad Khaliq Ahmed. He further added that it is need of the time to work together for the betterment of the University and target of academic excellence and quality education can only be achieved by adopting positive approach. Prof. Dr. Shafqat Nawaz highlighted the challenges to be focused upon. He added that hunt of funds from PHEC and HEC will be the top priority of University administration. The chair emphasized that meetings of the Academic Council and Syndicate will be arranged at the earliest convenient as without proper functioning of statutory bodies the University cannot work effectively.

### **Visit of Accreditation Inspection Committees (AICs) of National Agriculture Education and Accreditation Council (NAEAC), Higher Education Commission (HEC), Islamabad to Faculty of Agri. Sciences, Ghazi University, D.G. Khan.**

The Accreditation Inspection Committees (AICs) of HEC visited Faculty of Agricultural Sciences, Ghazi University, D. G. Khan on 25<sup>th</sup> May, 2016. The main objective of the visit was to conduct a peer review of the degree programs of the Departments of Agronomy, Horticulture, Plant Breeding & Genetics, Plant Protection and Soil & Environmental Sciences. The subject experts/program evaluators were senior professors of these subjects. Prof. Dr. Shafqat Nawaz, Dean of the Faculty / Member Vice Chancellor Committee gave a brief presentation to the team of experts in his office. Later on, experts had a long deliberations with the heads of the above mentioned departments. The HODs along with faculty members gave detailed presentation on the faculty, curriculum, infrastructure, resources and facilities available with the departments. They also pointed out major strengths and shortcomings of their degree programs. The review committee also received feedback from under-graduate and graduate students. The AICs also visited infrastructure and learning resources including labs., library, class rooms and faculty offices etc. They also visited experimental farm used for graduate research activities. The AICs members urged the Dean to communicate main findings and conclusions of the visit to the worthy vice chancellor. The wrap-up/exit meeting was also held with the Member Vice Chancellor Committee, Dean of the Faculty, Registrar and other senior faculty members of the Ghazi University.

**Ghazi University in Media**, the daily activities at the Ghazi University are being updated on University website ([www.gudgk.edu.pk](http://www.gudgk.edu.pk)) as well as on print & social media.
